**RE: 2026 Road to Safety Scholarship Contest for High School Seniors**

To Whom It May Concern:

Each year, many young lives are drastically changed or cut short by risky behaviors like driving under the influence of alcohol or texting while driving. Motor vehicle crashes involving teenagers are especially heartbreaking, because most of these teen tragedies are fully preventable.

At Metzger Wickersham personal injury law firm, we are committed to promoting education and awareness about safe driving through community outreach. We would like to remind you of our annual [Road to Safety Scholarship Contest](#), which encourages young drivers to get involved in spreading the message to keep our roads safe.

Graduating, college-bound seniors may submit a creative project about the dangers of drunk and/or distracted driving for their chance to win college scholarship money. Selected first, second and third place winners will receive \$1,000, \$750 and \$500 scholarships, respectively.

This year's contest rules vary slightly from past years. We are no longer accepting written essays. The contest is now geared more towards audio/visual projects. It may be of particular interest to students who plan to study creative fields such as video production or graphic design; however, this type of anticipated major is not a mandatory requirement to enter.

Entry forms are available for download at [arrivealivepa.com](http://arrivealivepa.com). Please feel free to post the information on your website and make copies of the contest materials for distribution to your senior class. The deadline for entries is April 15, 2026.

We appreciate your consideration in making this contest opportunity available to your students. Please call me at (717) 238-8187 or email [road2safety@mwke.com](mailto:road2safety@mwke.com) if you have any questions.

Very truly yours,

METZGER WICKERSHAM, P.C.
