

Dear Families:

Thank you for your partnership and commitment to Catholic schools. We continue to be in awe of and inspired by all that has been accomplished throughout the entirety of these unprecedented times. Because of your dedication and the efforts of our school employees, we have provided the most uninterrupted in-person education over the last few years. As a result, our students as a whole have not seen the learning loss that other institutions are experiencing, which is confirmed through benchmarking of our most recent fall assessments.

Each year, we are unwavering in our focus on ensuring our students achieve their God-given potential. Therefore, we welcomed more new families than in recent years and many of our schools have waitlists in particular grades. We will again offer our current families the opportunity to register first. Please pay particular attention to the deadlines below to guarantee your seat.

We are now beginning the **online** registration process for the 2022-2023 school year.

2022-2023 Registration Details are as follows:

- You will receive separate emails for each child in our schools with a link and directions on completing the online registration. Much of the information will be pre-populated. It should take around 15-20 minutes to complete. Please watch your inbox for the email(s) from your principal. If you don't receive the email(s) by **February 2**, please let the school know.
- To guarantee your child's/children's seat(s), you must complete the online registration materials and submit them along with the **\$125 non-refundable family registration fee by February 25, 2022**. You will receive an email invoice for the registration fee within a week of submitting your materials. After February 25, we will open the registration process to any families on waitlists.
- If your elementary school student will be continuing on to a diocesan high school, you must go online to www.dioceseofscranton.org/register to complete a new application.
- To register, your account must be in good standing. Please refer to the **Tuition Policy** on our website at www.dioceseofscranton.org/catholicschools.
- In an effort to make our schools affordable, additional resources are being dedicated to financial assistance. We also have opportunities in each school to reduce tuition through SCRIP, referral of new families, events, etc. Please talk with your principal and see the enclosed information on Tuition Reduction Opportunities.

Your timely registration not only guarantees your family has access to one of the best educational experiences in northeastern and north central Pennsylvania, but also ensures we are prepared to offer the best educational experience for your student.

Please do not hesitate to call your school or the Catholic Schools Office if you have any questions.

Sincerely,

Jason W.S. Morrison
